PATENT

REMARKS

Upon entry of this supplemental amendment, claims 1 and 10 have been amended, claims 19-185 have been added, and claims 1-185 remain pending. It is submitted that no new subject matter has been introduced by the amendments and that the amendments are fully supported by the specification. It should be further understood that the amendments herein were made to clarify claim language and not to limit or narrow the scope of the claims, and thus, they should not be interpreted as narrowing claim amendments.

This supplemental amendment is submitted to conform to the manner in which amendments are made in an reissue application under 37 C.F.R. 1.173.

A new information disclosure statement and a new supplemental declaration are also submitted herewith.

CONCLUSION

In view of the foregoing, Applicant believes that all claims now pending in this Application are in condition for allowance. Accordingly, Applicant respectfully requests the Examiner to issue a formal Notice of Allowance as early as possible.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-813-5000.

Respectfully submitted,
